ESSAY FORM

NAME_____

PERSONAL DATA

Please, submit a 200-250 word essay, in English or Spanish, to answer the following question:

There are many challenges facing the Hispanic community in contemporary American society. What three challenges can you identify that face the Hispanic community? What advice would you offer to your local legislators to help them respond to these challenges?

Please either: _____type and attach your essay, or _____write on this form.

This event is funded through a contract with the New York State Education Department.
